

Animal Tail

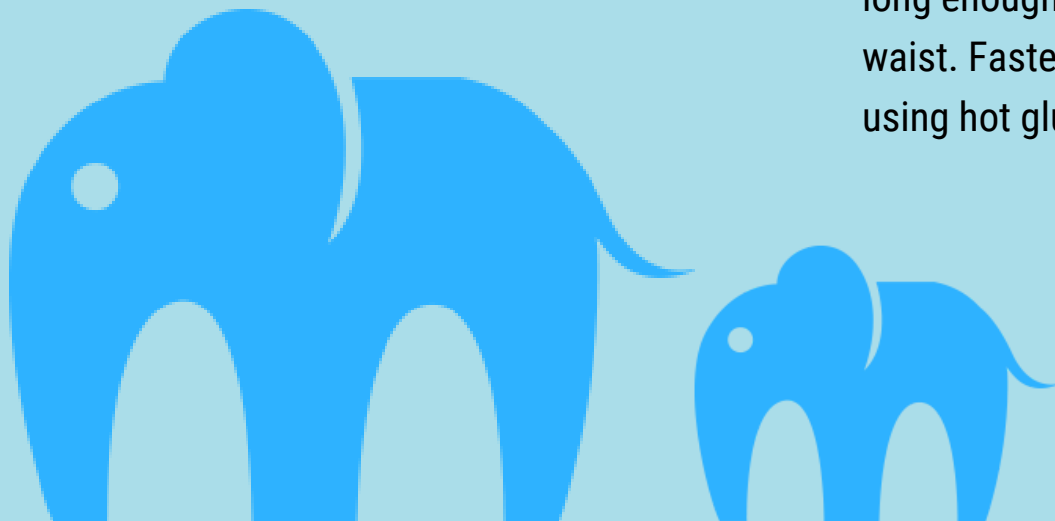

A FANIMAL KID ACTIVITY

materials

- Scissors
- Baby tights (use different colors according to the animal)
- Glue gun
- Faux fur
- Cotton batting
- Paintbrush
- Paint
- Ribbon

directions

- Cut the legs off a pair of baby tights, leaving the feet intact. Fold one leg in half lengthwise and secure edges with hot glue. Let dry.
- Cut out a small tuft of faux fur and affix to the end of tail. Stuff tail with cotton; glue top closed.
- Have kids paint spots on their tail. Let dry.
- Cut a length of ribbon that will be long enough to tie around a child's waist. Fasten tail to center of ribbon using hot glue.
