

Plant Pot Pets

A FANIMAL KID ACTIVITY

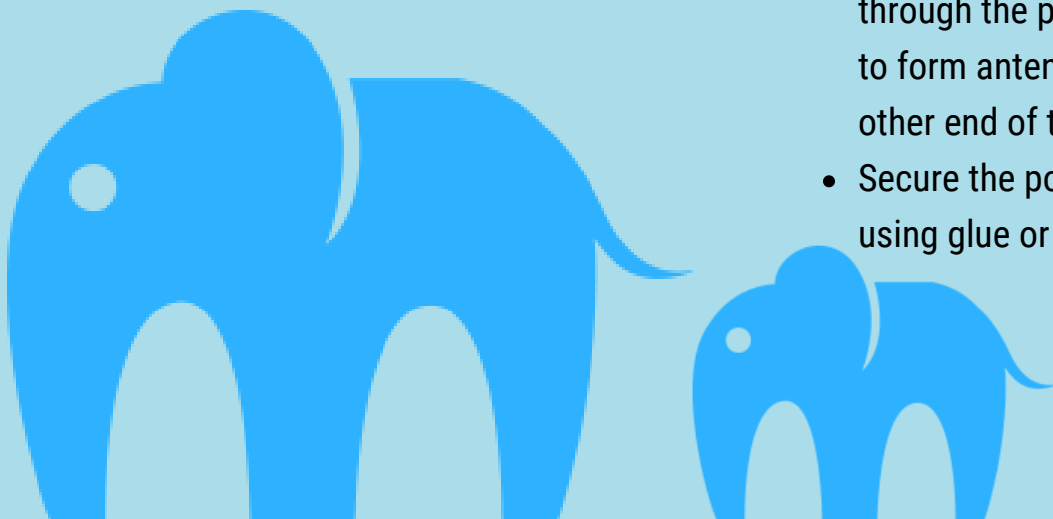

materials

- 1 ceramic or plastic plant pot
- 1 pom-pom, in your desired color
- Acrylic paint in various colors
- 1 pair of wobbly eyes
- 4in of thin, silver wire, for the antennae
- 2 small beads, for the antennae
- PVA glue or double-sided tape

directions

- Paint a plant pot with one color of paint applying two coats if required, let the paint dry.
- Decorate the pots with spots or stripes in a contrasting color.
- Glue two wobbly eyes onto a pom-pom.
- For the antennae, attach a bead onto the end of a fine piece of wire. Wind the wire around the bead and back through the hole then cut off any excess with scissors. Thread the other end of the wire through the pom-pom and back up again to form antennae. Attach a bead on the other end of the wire in the same way.
- Secure the pom-pom to the rim of the pot using glue or double-sided tape.
